

Targeted Intervention Service

Your views are very important to us **Tell us what you think**

Stoke-on-Trent CCG is committed to commissioning the best possible healthcare for our patient population. We are continually reviewing the healthcare services we commission to ensure that patients receive high quality safe services that are best value for money.

The CCG has reviewed the historic school nursing service and has developed a proposed new service provision. The CCG would appreciate if you could share any experiences of this service to help us to re-shape and inform future services and premises.

Your views will be added to other information needed for us to make any decisions.

Survey:

Please provide details of any experience with the current service, including any compliments, concerns, identify any negative impacts / barriers to fair access, any recommended areas for improvement.

Tell us about yourself:

The following questions will help us understand more about who has responded to this survey. This will help us to ensure that we have listened to as many different people as possible. We would like to know more about you and your recent experience of using healthcare services.
